

Kentucky Core Content Test (KCCT) Combined Reading and Mathematics Proficient/Distinguished Report All Districts

This report displays the percentage of students scoring at the proficient and distinguished levels on KCCT combined Reading and Mathematics combined. This percentage is used as a performance measure in the identification of schools in federal tier status as part of [HB 176](#) requirements for persistently low-achieving schools as enacted by the 2010 Kentucky General Assembly. Additional factors included in the identification process and in this report include low and high grade levels, Title I status, school recognition, Adequate Yearly Progress status for three years and federal tier status.
